

[Kelly O'Connor, Product Manager, Digital Service at Veterans Affairs](#)

Season: 2

| Episode: 13

A pathway to government IT is not always rooted in technology.

Tue, 07/16/2019 - 12:52

Kelly O'Connor was motivated to join public service to serve veterans. She explains the importance of user-centered design in product management and what it means for Veterans Affairs' overall modernization efforts.
