

## Securing America's Tech Infrastructure & Supply Chain

USCIS Cyber Defense Branch Chief Adrian Monza, USAF CISO Wanda Jones-Heath and FBI Senior Information Security Leader Manuel Castillo talk security for new and legacy infrastructure.

Fri, 07/19/2019 - 14:50

Stories like critical infrastructure hacks, crossover for privacy and security, and the advent of 5G dominate the news. What are the top information security professionals doing to ensure new and legacy infrastructure as well as supplier ecosystems are also secure?

- Adrian Monza, Cyber Defense Branch Chief, U.S. Citizenship and Immigration Services, DHS
- Wanda Jones-Heath, Chief Information Security Officer, Office of the Deputy CIO, U.S. Air Force

- Manuel Castillo, Senior IT Security Advisor, Federal Bureau of Investigation

Moderator:

- Michael Hoffman, President, GovernmentCIO Media & Research
