

Keynote: Cyber Preparedness

DHS Assistant Director for Cybersecurity Jeanette Manfra talks what agencies and industry can do to more accurately and efficiently manage risk and increase cyber resilience.

Fri, 07/19/2019 - 14:56

Homeland Security's newest agency head discusses the importance of partnerships for managing risk.

What can agencies and industry do to more accurately and efficiently manage risk and increase cyber resilience? In the words of our Nation's risk advisor, Cybersecurity and Infrastructure Security Agency, "Defend today, secure tomorrow."

- Jeanette Manfra, Assistant Director for Cybersecurity for the Department of Homeland Security's Cybersecurity and Infrastructure Security Agency

Moderator:

- Amy Kluber, Managing Editor, GovernmentCIO Media & Research
