

Judith Zawatsky, Assistant Commissioner, GSA Office of Systems Management

Season: 2

| Episode: 18

The office is focused on an integrated award environment and a common acquisition platform.

Fri, 08/23/2019 - 09:55

GSA's Judith Zawatsky leading the Office of Systems Management under the Federal Acquisition Service discusses improvements to the federal government's acquisition systems. Her office includes two programs, the Integrated Award Environment and the Common Acquisition Platform, both of which use modernized technologies to improve systems and processes.
