

[Listen: Freda Bredy, Buy Smarter Initiative Lead, HHS](#)

Season: 2

| Episode: 25

HHS hopes to change how the agency buys with technology.

Mon, 10/21/2019 - 13:06

The Department of Health and Human Services' Buy Smarter program aims to use emerging technologies to transform how the agency purchases goods. Its program lead discusses how this effort will also provide real-time data to decision-makers to achieve efficiencies and reduce costs on goods and services.
