

[CIO Jose Arrieta Updates Big Progress with Accelerate](#)

The CIO made a critical news announcement in the last session of the digital health tech forum.

Tue, 02/11/2020 - 13:46

HHS CIO Jose Arrieta says Accelerate will yield \$30 million in cost savings with its first contract issued last week and is opening the door for more blockchain opportunities across the agency. The next Accelerate contact is expected to roll out in April.
