Listen: Nagesh Rao, Director of Business Technology Solutions, SBA

Season: 2
| Episode: 2

Leading the agency's DevSecOps practice requires addressing communication and culture challenges.

Nagesh Rao, Director of Business Technology Solutions, SBA
Mon, 05/11/2020 - 14:48

Nagesh Rao discusses the importance of Agile and DevOps at the Small Business Administration and how he is working to bring change to the agency in his efforts. Through leading the agency's DevSecOps practice and other coordinated efforts in the CIO office, Rao brings a thoughtful perspective to policy and culture around the methodologies.
