Listen: The Tech Push Behind Memorialization at VA

Season: 4
| Episode: 2
Veterans Legacy Memorial was one project resulting from a collaboration between VA and NCA.
Randy Reeves, Under Secretary for Memorial Affairs, National Cemetery Administration
Jim Gfrerer, CIO, Department of Veterans Affairs
Wed, 12/02/2020 - 14:36

With a strong attention to agency mission, Under Secretary for Memorial Affairs Randy Reeves and Veterans Affairs CIO Jim Gfrerer discuss the initiatives behind the agency's digital endeavors that led to the creation of a digital memorialization platform, the pivot during the pandemic, a new financial system and more. The leaders look ahead at what this means for future technical developments for the
National Cemetery Administration and beyond.
